Re: Kaiser Foundation Hospitals
 Case 21-RD-237218

Dear Ms. Limbo:

This letter acknowledges receipt of the Petitioner's letter in opposition to the Union's request for review, filed with the Board on March 3, 2020.

The request for review in this matter was due on December 5, 2019. On that date, the Union timely filed its request for review with the Office of the Executive Secretary. Section 102.67(f) of the Board's Rules and Regulations specifies that "[a]ny party may, within 7 days after the last day on which the request for review must be filed, file with the Board a statement in opposition..." Therefore, under this section, any opposition to the Union's request for review was due on December 12, 2019. The Petitioner's opposition, however, was filed on March 3, 2020. Accordingly, the opposition is untimely, and will not be considered by the Board.¹

Very truly yours,

/s/ Farah Z. Qureshi
Deputy Executive Secretary

¹ The Petitioner contends that she was not served with the Union's request for review, and thus the request for review should be denied. At the time that the request for review was filed, the NLRB's records show that Mr. Byron Andrus was representing the Petitioner. This representation ended on December 9, 2019. On December 10, 2019, the Union filed a Supplemental Proof of Service indicating that once notified of Mr. Andrus' withdrawal of representation, the Union "provided a copy of the Request for Review to Ms. Limbo by email."
